0940-05-02-.01 Statement of Authority. The Department of Mental Health and Developmental Disabilities is authorized to license facilities and services operated for the provision of mental health, alcohol and drug abuse, developmental disability, mental retardation, and personal support services in the State of Tennessee by T.C.A. Title 33, Chapter 2, Part 4.

Authority: T.C.A. §§ 33-2-403 and 33-2-404.

0940-05-02-.02 Types And Conditions Of Licenses.

- (1) Initial License. An initial license is issued to a facility or service to give the licensee an opportunity to implement minimum program requirements and to give the Department an opportunity to evaluate the facility's or service's compliance performance. Initial licenses will not exceed twelve months.
- (2) Full License. A full license is valid for up to one (1) year from the date of issuance and is issued to a facility or service when the licensee demonstrates compliance with the licensure law and applicable rules as determined by the Department.

- (3) Provisional License. A provisional license may be issued to a facility or service when it does not meet all of the requirements for a full license. The Department may grant a provisional license if all of the conditions below are satisfied:
- (a) The facility or service is making a diligent effort to comply with the licensure law and rules. A "diligent effort to comply with rules" is determined by past performance of the facility or service in meeting rules and correcting deficiencies and by commitments to correct existing deficiencies within time frames agreed to by the Department;
  - (b) The continued operation of the facility or service will not endanger the health or safety of individuals being served;
  - (c) The facility or service has submitted an acceptable compliance plan specifying how and when deficiencies will be corrected. The Department will consider the seriousness of the deficiencies and the past performances of the facility or service in determining whether the compliance plan is acceptable; and
  - (d) The facility or service has substantially met the commitments made in the preceding year's compliance plan, if any.

Authority: T.C.A. §§ 33-2-404, 33-2-406, and 33-2-415.

0940-05-02-.03 Unlawful Operation. No organization may begin delivering services until the Department issues a license. Providing mental health, alcohol and drug abuse, developmental disability, mental retardation, or personal support services without a license is unlawful and may result in civil and/or criminal sanctions pursuant to T.C.A. §§ 33-2-405 and 33-2-412.

- (5) The Department will review the application, make any necessary investigations, review the results of the inspections of the proposed site or sites, when applicable, and take one (1) of the following actions:
  - (a) If the review indicates compliance with all requirements for an initial license, the initial license will be issued;
  - (b) If the review indicates deficiencies, the applicant will be notified and must correct deficiencies before a license is issued; or

Dates for unannounced inspections will be random varying from year to year.
- (5) Upon receipt of the application material and the required fees, the Department will review the application material, the current life safety and environmental conditions, when applicable, and the performance history of the facility or service and take one of the following actions:
  - (a) If the Department determines that all facilities or services operated by the licensee are in compliance with the applicable licensure law and rules, then a full license will be issued;
  - (b) If the Department determines that all facilities or services operated by the licensee do not comply with the applicable licensure law and rules, a

provisional license may be issued covering the facility or service not in full compliance; or

- (c) If the Department determines that a license should not be issued to one or more facilities or services operated by the licensee, the licensee shall be notified of the denial. Within fifteen (15) calendar days of such notification of denial, the licensee may file a written request for a hearing before the Licensure Review Panel on the denial.

Authority: T.C.A. §§ 33-2-403, 33-2-404, 33-2-406, and 33-2-407.

0940-05-02-.08 Distinct Categories Of Facilities And Services. The licensure rules identify and define distinct categories of facilities or services. These facilities and services must meet applicable life safety, environmental, and minimum program rules based on the type of program services and the needs of the persons served.

Authority: T.C.A. §§ 33-2-403, 33-2-404 and 33-2-406.

0940-05-02-.09 Non-transferability of Licenses. Licenses are not assignable or transferable except as provided by law. A new application must be made and a new license issued before services are provided when there is a change in the ownership of a facility/service or a change of location.

Authority: T.C.A. §§ 33-2-403, 33-2-404 and 33-2-406.

0940-05-02-.10 Time Limits. - Upon inspection of any facility or service making application for or holding a license, the Department may allow a reasonable time period for facility or service to correct deficiencies found by inspection.

0940-05-02-.11 Deemed Compliance.

- (1) A facility or service which is accredited or certified by any of the following may be deemed by the Department to be in compliance ("deemed compliance status") with applicable licensure program requirements:
  - (a) Joint Commission on Accreditation of Health Care Organizations (JCAHO);
  - (b) Council on Accreditation of Rehabilitation Facilities (CARF);
  - (c) Social Security Act, Title XIX, Public Law 89-98, as amended (Medicaid) for Intermediate Care Facilities for the Mentally Retarded (ICF/MR) only;
  - (d) The Accreditation Council on Services for People with Disabilities; or
  - (e) Council on Accreditation for Children and Family Services.
- (2) To be considered for a deemed compliance status determination under this section, the licensee must submit written and official evidence of certification for accreditation to the Department including any cited deficiencies with plan of correction.
- (3) Facilities or services receiving deemed compliance status must also demonstrate compliance with the life safety and environmental rules. Deemed compliance

status of the services offered by a facility or service does not alter the operator's obligation to correct any deficiencies cited during the unannounced inspections required by T.C.A. § 33-2-413 or to cooperate with investigations conducted by the Department of reports of abuse, dereliction, or deficiency in the operation of the facility or service. Notwithstanding the deemed compliance of a facility's services, such a facility is subject to the suspension or revocation of its license under the terms and procedures established in T.C.A. § 33-2-407 and the rules of this chapter.

- (4) Pursuant to T.C.A. § 33-2-403(c), a facility or service which can demonstrate compliance with regulations and standards by a previously acquired license from another state agency is considered in compliance with rules promulgated by the Department to the extent that duplicate inspection and enforcement is necessary.

Authority: T.C.A. §§ 33-2-403, 33-2-404, and 33-2-406.

0940-05-02-.12 Access To Premises And Information. With or without giving notice, representatives of the Department shall have the right to enter upon or into the premises of any facility or service providing mental health, developmental disabilities, or personal support services in order to make inspections deemed necessary to determine compliance with licensure law and rules. The licensee must comply with all reasonable requests of the Department and allow it to obtain information from third parties, including, but not limited to, individuals being served by the facility or service, and/or to review all records of the facility or service.

Authority: T.C.A. §§ 33-2-404 and 33-2-413(b).

0940-05-02-.13 Grounds For Denial, Revocation, or Suspension.

- (1) The maintenance and renewal of a license is contingent upon evidence of continued compliance with rules and regulations. The Department may deny, suspend or revoke a license on any of the following grounds:

  - (b) Permitting, aiding or abetting the commission of any illegal act in a licensed facility or service;
  - (c) Conduct or practice detrimental to the welfare of individuals being served by a licensed facility or service;
  - (d) The submission of false information to the Department; or
  - (e) The use of subterfuge (for instance, filing through a second party after an individual has been denied a license).
- (2) Unless the Department finds that summary suspension of a license is necessary, all license revocations, suspensions and denials shall be conducted in accordance with the applicable sections of the Uniform Administrative Procedures Act, Tennessee Code Annotated, Title 4, Part 5. Summary suspension may only occur when the Department determines that continued operation of a licensed facility or service presents an immediate threat to the health, safety, and welfare of individuals being served. When a summary suspension occurs, proceedings for revocation or other action against the licensee shall be promptly instituted and determined in accordance with the Uniform Administrative Procedures Act.

Authority: T.C.A. §§ 33-2-403, 33-2-404, 33-2-407, 33-2-408.

However, when a licensee has made timely and sufficient application for a new license (including payment of the required fees), the existing license does not expire until the status of the application has been determined by the Department. When the application is denied or the terms of the new license limited, the existing license does not expire until the last day for seeking review of the order or a later date fixed by order of the reviewing court.

Authority: T.C.A. §§ 33-2-403, 33-2-404, 33-2-407, and 33-2-408; 4-5-320.

0940-05-02-.15 Posting Of The License. The license certificate must be posted for public viewing in a conspicuous place at the facility or service.

All waivers granted will be made in writing and entered in the official record of the licensed service or facility. This written document shall include the justification for the waiver. All waivers will be reviewed by the Department and the Licensure Review Panel.

Authority: T.C.A. §§ 33-2-403 and 33-2-404.

- (4) The Department will notify the licensee in writing whether the Plan of Compliance is acceptable and the basis for the decision. When the Plan of Compliance is not acceptable, the Department and licensee may continue to seek agreement. If agreement cannot be reached in a reasonable time, as determined by the Department, the Department may institute sanctions against the license.
